ANNOUNCE JUNIOR HIGH HONOR ROLL

Girls Outnumber Boys, 28-26, in Grades for Final Quarter.

AWARD TRACK LETTERS

Names of 54 students who had won standing on the school honor roll for the final quarter year were announced yesterday by Principal Edward H. Snow, at the final assembly of students at the Lower Merion Junior High School in Ardmore.

Orange and black escutcheons were awarded all the honor students, who numbered eight more than the 46 who received awards the final quarter of the 1926-27 school year. In order to be placed on his school honor roll a student of the eighth or ninth grade must have a general average of 90 per cent. in all subjects, with no single subject below 80 per cent.

Former State Senator Fletcher W. Stites, Narberth, was the scheduled speaker at yesterday's assembly, which was held in the junior high auditorium.

The honor roll students are as follows:

Robert Adams, Donald Amesbury, James Bailey, William McGarvey, Helen Pryor, Herman Bryan, Meredith Colket, Dorothy Mackel, William McIntyre, Lewis Meyers, Frank Page, Murray Patton, Elfrida Landis, Marion Tipton, Freda Millar, Kathryn Lukens, Bill Macan, Edwin Moore, Virginia Censis, Edith Diehl, Roger Watson, Fernanda Amadio, Josephine Baker, Jean Carlisle, Betty Eves, Betty Hartley, Suzanne Holt, Billy Azzell, Ray Wilson, William Purring, Elizabeth Anne Wood, Grace Werner, Alice Tyson, Marie Cahill, David Thomas, Russell Wood, Leonora Abbot, Carolyn Goldsmith, Evelyn Hansell, Julia Lañus, Lawrence Camer, William Smith, James Turner, Richard Sigel, Fred Robb, Jean Tracy, Dolores Wilson, Wilson Meeks, Cason Rucker, Robert Smith, Helen Louise Thomas, Joyce Trenholme, Rose Weigel and Eleanor Kavanagh.

ENTERTAIN GRADUATES

Mothers' Council Host to Eighth Grade Students.

The graduation of the eighth grade from Narberth Junior High School to Lower Merion High School was celebrated last Monday evening when the Mothers' Council entertained the class and the faculty of the school.

Those present in addition to the graduating class included Principal George H. Wilson and the high school teachers, Col. I. A. Miller, president of the Narberth School Board, Mrs. F. T. Van Auker, also of the school board, the officers of Mothers' Council and the members of the committee who served.

The class entertained the mothers with a play entitled, "Nevertheless," which was very well done by three members of the class, Mary Poorman, Elizabeth Magee and Alice Edwards. At the conclusion of this all were invited to the school lunch room which had been transformed most attractively by the roses which decorated all windows and tables.

After delicious refreshments served by Mrs. Nash and her committee, the class prophecy, written by Elizabeth Smedley and Mary Poorman, was read by the former. Robert Hutchinson read the class history which he and Richard Heckle had written.

An original poem about the teachers was given by Mabel Millard and one about the students by Betty McGarrity. Dick Wentz and Alice Edwards presented small gifts to each member of the class. The amusement and applause following each presentation showed the gifts to be most appropriate.

The class had some very good songs which were enjoyed during the evening, and the Narberth school song was sung after a few words of advice and farewell by Col. Miller, Mrs. Van Auker and Mr. Wilson.

The summer reading club, which interested many students last year, will be conducted again this year, and students may register now at the Narberth Library.

Won Five Honors

Ellen Hand Shaw, of South Narberth avenue, first Lower Merion senior to win scholastic honors in five subjects. She also received the Bryn Mawr College Scholarship Award. Miss Shaw was junior and senior class secretary and a member of the girls' hockey team and senior class Dramatic Club.

ALL STARS PLAY NARBERTH MONDAY

Treat Promised When Much-Touted Aggregation Sees Action.

ARE LED BY STITES

A treat is in store for Narberth baseball fans next Monday night, June 18, when an all-star team led by F. W. Stites and composed of famous college and major league stars goes into action in an exhibition game with the Narberth team. The game will be played for the benefit of the American Legion.

When Fletcher (Flick), (cross hand), (iron man), (Senator) Stites unwraps the red flannel and uncovers that old soup bone on Monday night the local fans will see the Narberth team shooting ducks, and when Gene (Peaches) Davis tries to put the wood on the senators hoops it will just be too bad. Peaches will think Frank Merriwell stepped out of his pay-as-you-read library to strut his stuff.

Harry Simpson, who, in days gone by, used to receive Ed Ensinger's fastest of all fast balls, will be behind the plate, and Ed himself, will be in there to help with the curving. Jack Jefferies, who had the distinction of being Captain of two teams in one year at Princeton, will show how to play that initial sack. Pep Young, who was the reliable second sacker for the Detroit team, will make every move a picture at second base. Doc Carris, the well-known surgeon and coach of the University of Pennsylvania team, will play short as in the days of old, when Narberth and championships went hand-in-hand together. Third base will be handled by Stites, Moore and Durbin. Roy Thomas, of the old Phils, will take care of right field, with Howard Lohr, the best hitter in the city, in center field. Nick Carter or Bill Hardt, who, this year was voted the most popular man at Princeton and this year was president of his class, will play in left field.

There will be a wealth of pitching material on hand and the American Legion will see that everyone is happy. Every effort is being made to get the above-mentioned stars together, and the Legion hopes that no one will be disappointed.

KING'S DAUGHTERS GATHER

A meeting of the Evangel Circle of King's Daughters will be held Wednesday afternoon, June 20, from 2 until 4 o'clock at the home of Mrs. Nathan Smedley, 104 Dudley avenue. It is hoped that a large number will attend.

HAVE NEW ASSISTANT

A new assistant at St. Margaret's, the Rev. Francis M. Fox, took up his duties in the parish last week. The Rev. Fox is from Oakview, Delaware county, and succeeds the Rev. Henry J. O'Conner as assistant to Father Hayes at St. Margaret's.

FAN APPEALS FOR BASEBALL SUPPORT

Good Team, Good Games, But More Attendance and Money Needed.

TWO GAMES EACH WEEK

Although the following was received as a "Letter to the Editor," it seems to hit the nail so squarely on the head with respect to the baseball situation in Narberth that we are printing it here on the front page as "news"—which it is.—The Editor.

"The Narberth Baseball Club is giving us better baseball today than we have ever had, and yet the club is not getting the financial support that it should have. Worse than that, it is not even getting the support that it actually needs to make both ends meet. That doesn't sound very good, does it? Well, then, let's get busy and give the club the right kind and the right amount of support.

"First: Have you sent a contribution to the club in answer to the small blue cards that were mailed some time ago to practically everybody in town? If you didn't receive one of these cards, or if you mislaid it, don't let that stop you from helping the good work along. Sit down tonight and write a check, payable to the Narberth Baseball Club and mail it to Charles Harnden, Narberth, Pa.

"Or if it is more convenient stop in Davis' and hand the money to 'either one of 'em'—Gene or his father.

"Second: Come out to the games. This summer Narberth is playing independent baseball and playing right here in Narberth on the home grounds every Saturday afternoon at 3.15 o'clock, and a twilight game every Wednesday evening when the weather man gives us a half decent break. Yes, and the visiting teams are the best that we have ever had in Narberth, and our own boys are playing A No. 1 baseball, too. This Saturday we play Riverside, N. J., a crackjack championship team from across the Delaware. On Monday, July 9, at a special twilight game we play the famous Hildale Club—the champion Negro baseball club of the country and every bit as good an aggregation as the old Cuban Giants ever were—even when Williams caught. Grant played second, and Patterson played left field, and that's saying something.

"To put on games like these costs money. But if the fans will remember to send in contributions for the little blue cards and come out to the games the players will do the rest. What do you say, fans? Let's back the club up and stay back of them until Labor day."

A FAN.

GRADUATIONS AT JUNIOR AND SENIOR HIGHS MARK CLOSE OF SCHOOL YEAR

Seniors Get Scholarships and Prizes—Honor Students Named.

GRADUATES TOTAL 131

Announcement of the award of five scholarships and presentation of many prizes for scholastic achievements was made at the Lower Merion High School commencement Friday night, when 131 members of the 1928 senior class were graduated before an audience of over 2000 relatives and friends, who filled to overflowing the auditorium of the Junior High School in Ardmore.

Douglas L. Fleming won the High School's Alumni Association scholarship; Margaret M. Doran received the R. J. Hamilton memorial award; Alice G. France and Robert S. Corrigan were awarded scholarships by the Bryn Mawr Woman's Club and Business Men's Association, respectively, and the School Board's choice for the Bryn Mawr College scholarship was announced to be Ellen Hand Shaw, of Merion, who won honors in general scholarship, English, Latin, French and mathematics.

Eleven students were given awards for having made averages of 90 or better in studies during their three-year course in Senior High School. Miss Shaw led, with honors in five subjects. Second was Bertha Sara Lerner, with honors in general scholarship, English and German.

Helen Pendergrass won honors in Latin and French; Mary B. C. Durning in Spanish and commercial work; Rosalie Shaw in Latin; Ellen Miller Cameron in Spanish; Ethel Grace Fryberger in history; Mary S. Mariano in commercial work, and Alice Gene France, Robert Wilson Kesler and William E. Bailey in mathematics.

Junior Grades Present Gifts as 261 Students Are Made Sophs.

WIN CUPS AND MEDALS

Several awards for scholarship and athletic ability, gifts by the upper and lower classes to their school, and a play by John Golden were all presented at the promotion exercises of the Lower Merion Junior High School, held Tuesday night in the school's auditorium at Ardmore.

Seventeen less than last year's record class, the upper school's membership is 261. These will enter the Senior High School in September as sophomores.

Two handsome figures of Indians on horseback were presented Principal Edward H. Snow and the school by the upper and lower classes. Cyrus E. Dallin's "Appeal to the Great Spirit" was the upper school's gift, presented by Robert Blair, class president, and the "Indian Scout" was given with a presentation talk by Conrad Wickham, president of the lower school.

Awards for scholarship and athletic ability were made the following:

American Legion Auxiliaries (Bala-Cynwyd, Ardmore, Bryn Mawr)—Award for girls, based on citizenship and life attitudes—Alice L. Tyson, Narberth; honorable mention, Julia Landis, Ardmore, and Edith W. Diehl, Bala.

American Legion, Ardmore, medal based on citizenship, etc.—Howard Lodge, Rosemont; Bala-Cynwyd Post, William Macan, Cynwyd; honorable mention, Arthur Conner, Russell Wood, Robert Linn, James Roberts, Roger Watson and Herbert Young.

NARBERTH SCHOOL CLOSURES FOR YEAR

Exercises Yesterday Final Event of School Season.

HONORS ANNOUNCED

The Narberth Public Schools closed yesterday for the year with exercises varied in character. Two plays were presented by the Dramatic Clubs, presentations of prizes and awards took place, and a fashion show closed the program.

The honors for the sixth period and for the year are also announced by Principal George H. Wilson, as well as the perfect attendance records for the year.

A summer school for pupils of the fifth, sixth, seventh and eighth grades will be held in the Narberth School beginning on July 2 and continuing until August 12. The session will begin at 8.30 and close at 11.30. No session will be held on Saturdays.

Pupils who are deficient or weak in any subject will find this an excellent opportunity to review their work. Classes will be small and the instruction largely individual.

At the exercises yesterday "Cinderella Married," a one-act play, depicting the fifth wedding anniversary of Cinderella and Prince Charming was presented by the following cast under the direction of Miss Eckbert:

CinderellaLois Rinehart

SPEEDING TO THE FORE

Council's Attention Called to Traffic Dangers by Mrs. E. C. Town.

At the June meeting of Council last Monday night at the Community Building a letter from Edward A. Muschamp was read asking whether the trees on the playground near the baseball field from the dugout to the scoreboard could not be moved to some other location since they tended to obstruct the diamond. The letter was referred to the property committee.

The question of parking and accidents, which has been in the foreground of late, was personally brought to Council's attention by Mrs. E. C. Town. Preventive measures were advocated by Mrs. Town, particularly the enforcement of a 20-mile an hour speed limit within the borough confines, and the posting of signs to that effect on all roads on the outskirts of the borough. The many near accidents which have been narrowly averted at street intersections, particularly at Haverford and Narberth avenues and Windsor and Narberth, Mrs. Town pointed out, were the result of too fast driving. The strict enforcement of a speed limit by the police would do much to remove the hazardous condition, she claimed.

The regular routine business being conducted with unusual celerity, the motion for adjournment was made shortly after 10 o'clock.

MRS. BURKHARDT HOSTESS

The Woman's Home Missionary Society of the Methodist Episcopal Church will meet at the home of Mrs. Burkhardt, 100 Maple avenue, on Thursday afternoon, June 21, at 2.30 o'clock.

EPHRAIM M. JACKSON

Ephraim M. Jackson, husband of Carrie E. Jackson, died last week. The funeral was held from the home of his brother-in-law, Samuel V. Reichner, 344 Meetinghouse lane, with interment at West Laurel Hill Cemetery. Mr. Jackson was employed at the Baldwin Locomotive Works as captain of the guards. There are no children.

RAINFALL WAS HEAVY

Main Line Weatherman, Back on Job, Found Saturday Hottest.

Precipitation of 2.85 inches was recorded for the Main Line the past week ending Monday, according to Charles J. A. Decker, co-operator weather observer at Narberth, who has returned from an absence of several months in Boston. The rainfall by days was as follows: Last Tuesday, 1.04 inch; Wednesday, .75 inch; Thursday and Friday, none; Saturday, .84 inch; Sunday, .22 inch, and Monday, none.

The annual bazaar of the Methodist Church under the auspices of the Ladies' Aid Society will be held Saturday, December 8.

TALKS ON FLAG DAY

Rev. Frank M. Gray Tells Rotarians About Different Banners.

The history of the American flag was made the principal topic of the Tuesday meeting of the Bala-Cynwyd-Narberth Rotary Club by Rev. Frank M. Gray, the speaker. He chose this subject as a part of Flag day observance.

The speaker came prepared with a set of miniature flags, showing the banners used by the British during their sovereignty over America, followed by the Colonial and Revolutionary flags. The original Massachusetts pine tree flag, together with the Rattlesnake Southern banner, were shown.

The original Betsy Ross flag, with 13 stripes and 13 stars in a circle, was followed by later flags in which both the stripes and stars were increased as new States were admitted. Finally, the present official banner was demonstrated.

Mr. Gray spoke briefly on patriotism and international brotherhood, declaring that while skin colors may differ, there is no difference in blood throughout the world. "There is only one kind of blood—human blood," he said.

David MacVickar, of Cynwyd Boy Scout Troop No. 3, champion Main Line bugler, followed the speech with a demonstration of bugle calls, running the series from reveille to taps. The calls included many familiar ones, and some well-known to boys attending the Delmont Boy Scout camp.

URGES IDEALS ALL WEEK

That a business organization whose members practice high ideals in their daily business six days a week may do as much good as a church which has only an hour or two a week in which to impart instruction, was the statement of Rev. Robert E. Keighton, pastor of the Narberth Baptist Church, at the June meeting of the Norristown Real Estate Board held at the Valley Forge Hotel last Thursday.

"As a Preacher Looks at Real Estate" was his subject. He stressed the value of an organization's ideals to the community.

Plans for Fourth Celebration Underway; Ask for Co-operation

Plans under way indicate that this year's observance of the birthday of the nation will take on a form which will be more elaborate and significant than on any other occasion. All through the day the festivities will continue, with a fire works display in the evening that will, it is said, far exceed any pyrotechnical program of the kind. In due time an outline of some of the extraordinary pieces will be given in this column.

Many of these are new and novel in this part of the country and those who are so fortunate to be present, it is stated, are in for a patriotic demonstration which will linger long in their memory.

There will also be, of course, music without limit by the best bands that can be secured, and the arrangements will not fail to include a proper and complete recognition of the day it is and the deference which is due it.

As in past years the American Legion Post will take active charge of the field plans, but the wherewithal will come through a citizen's committee which will address a selected list in the community for the necessary funds. These appeals will go through the mails during the coming week,

and if one comes to your roof it affords evidence that you are numbered among the elite and can always be counted upon to do your part in every good thing which pertains to the town where you can make your home.

Each subscription received, much or little, will be publicly acknowledged in "Our Town," to give credit where credit is due, and, in addition, there will be mailed to all contributors a courtesy card which entitles you to all the privileges of the day. The spirit of the occasion will be kept at the high level where it belongs if the cash comes in as soon as the first and only call is made.

Those in a particular hurry may take it over without waiting for the letter to J. L. McCrery, committee treasurer, at the Narberth National Bank.

The Citizens' Committee is composed of the following men: J. J. Cabrey, chairman; Cris Koch, president of the Board of Trade; Daniel Leitch, president of Council; Dr. LeRoy A. King, secretary of the local school board, and J. L. McCrery, cashier of the Narberth National Bank.

Contributions may also be made directly to any of the borough merchants.

SENIORS GET AWARDS

the faculty were likened to parents: Principal C. B. Pennypacker and Superintendent S. Edgar Downs to guardians, the sophomore class to children and the graduating class to older brothers and sisters whose examples should be of the best.

Class Orator Robert Wilson Kesler told of the present significance of the Constitution. His talk was followed by one on "Our Flying Ambassador," by Marjorie Sellers, first prize historical essayist, and by Ellen Hand Shaw, class valedictorian, in which she proclaimed the motto, "I Would Be True," from the school creed, for her classmates to follow throughout life.

Class presents Gifts.

Samuel K. Barclay, president of the outgoing class, presented to Principal Pennypacker the gifts to the school: A bust of Lindbergh, by Vannucci, and a magazine rack. The former arrived at Mr. Pennypacker's office Tuesday and the latter is expected later in the summer. Both will go in the school library, which has also recently been enriched by the gift of two pieces of statuary by the James Moore family.

Announcement of the five scholarships and award of prizes was made by Principal C. B. Pennypacker, and following this, President William L. Austin, of the Lower Merion Board of Education, gave a brief address and presented diplomas to the 131 graduates. Pronouncing a benediction, Rev. D. W. Siegrist concluded the program.

Make Awards.

The prizes awarded were as follows: Dr. Frank P. K. Barker Medal—Ellen Hand Shaw.

Historical Essay Medals—(Offered by the Alumni Association)—Marjorie Sellers, Benjamin H. Ludlow, Jr., Anna Polk Speed.

AWAIT CONVENTION END

Dates for Republican Committee and Association Sessions Being Held Up.

Meetings of the Lower Merion and Narberth Republican Association and the Lower Merion Republican Committee are planned for the near future, but the setting of definite dates waits the outcome of the Republican Convention at Kansas City. In the case of the Republican Association the setting of a date is also being held in abeyance pending the recovery from illness of Secretary William J. Byrnes, Jr., of Ardmore.

The meeting of the township Republican Committee will be one for re-organization, and Mr. Byrnes as secretary should preside when new nominations are made. He is now confined to his home following a recent operation for appendicitis, but is reported to be recuperating rapidly.

The meeting of the Republican Association will also be for re-organization. The session will be a dinner-meeting, and following routine re-election of officers plans will be made for the fall election.

"Y" Pool Now Open

The Ardmore Y. M. C. A. has announced a special offer of six free lessons to all who enroll for a season's use of the swimming pool. Many availed themselves of this opportunity last year, some taking the learners course; others the more advanced work with a view to finally passing the life saver's tests.

The pool has just been painted and the filtration system has been thoroughly inspected and is in first-class condition. Being an indoor pool, its use is not subject to weather conditions. The water, even in the hottest days of the summer months, is heated to take off the chill and is kept at a uniform temperature.

GILFILLAN CAMP

Swimming Club

Spring Lake

Paoli, Pa.

The primary object in joining a club of this kind is that one may go there for a couple of hours in the evening for some real exercise and relaxation or enjoy a whole day in the great outdoors.

Spring Lake, because of its accessibility to the Main Line and its natural beauty, makes it irresistible. The location, combining the attractions of woods and fields, provides ideal picnic spots. The lake affords quiet, shallow water for canoeing. There is a beach for timid swimmers and beginners, and for the more advanced swimmers and divers every facility for water sports, tennis, basketball and other sports is offered. The year-round membership includes ice-skating privileges.

There is health in the great outdoors—health in its fullest sense—physical, mental, spiritual. Our late President Roosevelt said: "To be fit mentally, one must be fit physically." This exclusive little place will serve the latter purpose.

Adults, \$10.00; six to sixteen years, \$5.00. Children under twelve years of age must be attended by adults. Guest, accompanied by member, 50 cents. Special rates for families. Swimming instructions, six lessons for \$5.00.

NARBERTH TAKES SECOND STRAIGHT

Mulligan and McMonagle Are Headliners as La Mott Is Sunk.

The La Mott Professionals lost to Narberth last Saturday in one of the most exciting games this season by an 8 to 4 score. Action was plentiful throughout the contest with both teams playing first-class ball. With Humphreys and Vernie Fleck in the line-up, Narberth looked more the old team, "King of Clubs."

Mulligan's three hits, one a triple, scoring two runs, and McMonagle's timely steal home, were outstanding features of the fray. Mulligan now has six hits to his credit in the last two Narberth victories.

In the first inning Yowell popped to center field and scored after Mulligan's double and Hampshire's sacrifice. McMonagle walked and Davis struck out ending the inning.

A double play by Narberth helped to retire the visitors in quick order. The third and fourth innings were also short with no scoring by either team.

Two runs in the fifth gave La Mott a temporary lead. Mulligan's quick recovery of a fumble, which got his man, being one of the high spots of the inning.

In their end of the fifth Narberth added a run by virtue of a brilliant steal of home by the lynx-eyed McMonagle. McMonagle singled with one out, followed by Davis' walk. Thomas sacrificed, advancing McMonagle to third. Rubincan was at bat when McMonagle put on his little act, yelling to Rubincan to "let it go." McMonagle gathered speed and hit the plate amid the customary cloud of dust to the cry of safe from the umpire.

La Mott broke the tie again in the sixth adding another run to their score. Some loose fielding by Narberth aided the visitors' efforts. In their half Narberth went into the lead largely because of Mulligan's hefty stick. Master singled and Humphreys reached first on an error. Yowell was put out, whereupon Mulligan hit a three-bagger scoring Masters and Humphreys. Hampshire singled to Shultz who juggled the ball while Mulligan crossed the plate. McMonagle singled, Davis popped a high one to the catcher, and Fleck grounded to Acord, who ousted McMonagle approaching third.

The seventh proved lucky for neither team.

In the following period Narberth put over three more runs. Mulligan walked to start the inning. Hampshire made first on the second baseman's error; McMonagle sacrifice followed by Davis' single. Fleck's hard drive to center field scored Mulligan, Hampshire and Davis, but Fleck was put out stealing second.

La Mott took the last run of the game in the closing inning when Miller singled then advanced to third on Acord's single, later stealing home on a close play.

BENEFIT SUCCESSFUL

King's Daughters Meet Here to Aid Holiday House.

Donation day, held for the benefit of the Holiday House by the King's Daughters, took place last Wednesday at the Home for the Aged on Sabine avenue, Narberth. Two hundred and fifty King's Daughters from Philadelphia and the surrounding suburbs enjoyed the luncheon served on the spacious grounds. The visitors brought gifts of canned goods, jellies, groceries, wearing apparel, checks and cash, all of which were greatly appreciated by the directors.

The Holiday House has recently received a fresh coat of paint and another bathroom has been added. A concrete floor has also been installed in the sub-basement, which is used as a dining room and kitchen. The King's Daughters entertain poor children and their mothers from the congested districts of the city for two weeks at Valley Forge, and cater not only to their physical welfare, but also to their minds and spirits. Mrs. Francis H. Baker, of 115 Windsor avenue, treasurer of the organization, looks after the welfare of the guests.

Some 330 students who have completed their seventh grade work in Lower Merion's grammar schools and who will enter junior high school next term were given an entertainment Monday night in the auditorium of their new school.

Ursinus Graduate

Miss Anna Mabel Fritsch, daughter of Mr. and Mrs. H. C. Fritsch, of Wynnewood avenue, who, with her brother, H. Calvin Fritsch, Jr., was graduated Monday from Ursinus College.

TWO RECEIVE DEGREES

Son and Daughter of Mr. and Mrs. H. C. Fritsch Graduate.

At the commencement exercises of Ursinus College, held Monday a brother and sister from Narberth received their diplomas. They are the son and daughter of Mr. and Mrs. H. C. Fritsch, of Wynnewood avenue, and received their preparatory training in the Narberth public schools.

H. Calvin Fritsch, Jr., graduated with the degree of Bachelor of Science and Miss Anna Mabel Fritsch with the degree of Bachelor of Arts.

Calvin was a member of the Mathematics group and during his senior year served as art editor for the college year book, "The Ruby," an elaborate volume on campus activities, in which capacity he made quite a reputation for himself.

Miss Mabel was known as a "math shark" and was awarded distinguished honors by the faculty for special work in that branch. She was on the varsity basketball team of the college for four years, and was manager and treasurer of the team during her junior year and captain in her senior year.

Ursinus is rapidly coming to the fore as a co-educational college. During the past year over \$200,000 has been expended in building two large dormitories which will afford accommodations for 150 additional students. The dining room has been enlarged, chemistry laboratories remodeled, gymnasium reconstructed and the athletic field completed. Of the total sum expended, the students alone pledged through building and loan associations and other sources the sum of \$23,000.

Plans for a science building, a music hall and a new women's dormitory are now under way. The institution possesses 60 acres of land, has its own dairy, vegetable garden and poultry farm. It is ranked among the colleges of the first class. Ursinus offers to its students a healthful environment and an opportunity to enjoy the beauties of the Perkiomen Valley while pursuing their academic work.

Ask Any Mother

Ask your neighbor what shoe she recommends for growing children! Almost invariably she will reply "Edwards' Foot Ease Moccasins." Perhaps she will not be able to explain the underlying principles that create foot health . . . the correct poising of muscles . . . the manner in which the arch is strengthened through natural exercise, but she can tell you what experience has taught her.

It is a story that neither pictures nor words can portray . . . thousands of children romping in the streets with healthy, happy feet, showing every sign of developing future foot health.

GENERAL ELECTRIC
Refrigerator

First aid in entertaining, nowadays, is a General Electric Refrigerator. With it you can make those delicate, *different* salads and aspics and desserts. You can make them at your leisure—the same morning, or the day before, or whenever you wish. There's plenty of room to store them. There's the scientific cold to keep them completely fresh.

You will like the quietness and the simplicity of the General Electric Refrigerator. It never needs oiling. It hasn't a drain pipe or a belt or a

fan. All its machinery is enclosed in the hermetically sealed casing mounted on top of the cabinet. And there is a remarkably large shelf area because the chilling chamber is so compact. All the models are up on legs, so the floor under them can easily be cleaned.

We want you to come in and see the various models. Only by studying them carefully can you fully realize how really revolutionary they are. And remember that they are made and guaranteed by General Electric.

Easy payments can be arranged, if you prefer.

"SAFARI" RIVALS "SIMBA"

Library Has Book Telling of Johnson's Hunting Adventures.

Those who failed to see "Simba" at the Garrick may still have an opportunity of enjoying with the Martin Johnsons the story of their biggame hunt in Africa. The library has in the rental collection the book which relates their exploits. Instead of being called "Simba" as it is on the films, it is named "Safari," which means in Swahili language, a journey, especially a hunting expedition, and the natives use the phrase "on safari," much as "on a hike" is used in this country.

"Safari" gives detailed descriptions of the preparations made by the Johnsons to take the pictures of the wild animals, and emphasizes Mrs. Johnson's heroism in protecting her husband at the time, and her marksmanship when necessity demanded that she shoot. It tells almost as vividly as the screen portrays, the experiences of every day of the nearly four years which the Johnsons spent in Africa. According to them there was not a day during all that time that did not bring some wild tragedy, or comedy, some escape from death, or an amazing adventure among animals. Their experiences among the natives, some of whom had never seen a white woman, were also thrilling.

Mr. Johnson's facts supported by the pictures convince his readers, as he himself was convinced, that lions do not molest men or men do not molest them. It was Mr. Carl Akeley to whose memorial the proceeds of the film are being devoted, who in his efforts to prove this belief to Mr. Johnson, sought out and found a gathering place of lions in Tanganyika, and led the Johnsons there. And it was at this spot that they took the picture that has interested people perhaps more than any other the picture of 14 lions playing like so many little kittens. This story and the illustrations are in the book with many others just as illuminating.

The big co-operative buying organizations are perfectly fair in their attitude toward the chain stores, tho some one has said they have all the business. Well, they haven't. They really don't cut much of a figure when you look at the total retail business.

The independent stores last year did more than 63% of the total, the chain stores only got 12%. Now there is no doubt if everyone of the independent grocers were 100% loyal to his association and bought all the merchandise he could from them, he would save a lot of money. Then if he takes 100% interest in the management and conduct of his store, he will be in a position to meet any competition. I repeat that nobody can undersell a co-operative without a string in the deal somewhere.

OLD RIVAL BERWYN DOWNS LOCAL NINE

Visitors' Battery Effective at
Critical Points of
Game.

ERRORS DO DAMAGE

Three hundred and fifty people saw Narberth bow to their old rivals, Berwyn, of the Main Line League, in a twilight game last Wednesday. The visitors looked impressive, Noblitt and Duscua particularly in their 5-to-3 victory. Narberth hopes were often raised, but time after time Noblitt, assisted by Duscua's fine performance behind the plate, retired the home team with the bases loaded. Duscua, who had the honor of receiving Noblitt's heaves, did quite some field work himself as he retired three Narberth batters by catching flies in the vicinity of first and third bases.

Narberth outbait Berwyn 11 blows to seven but errors and lack of teamwork spelled defeat. Graham, therefore, is credited with a good job of pitching, and the loss of the game must be attributed to a lack of co-operation and wide-awakeness on the part of the Narberth team.

In the fourth the pitching skill of Noblitt was first made evident after Davis singled, and Blessing doubled and Graham walked. Monoglie, who usually can be counted on for a hit when it is needed, took the plate. Noblitt, however, as calmly as ever, proceeded to strike out the Narberth centerfielder.

Narberth's scoring started in the sixth when Graham, Mulligan and Masters all doubled in succession. Masters' clout scoring Graham and Mulligan.

Humphrey singled in the final inning, stole second and scored on Hampshire's drive to center field, bringing in Narberth's third and final run.

The schedule for coming games: Today (June 16)—Riverside A. C. Monday (June 18)—All-stars, led by F. W. Stites.

Wednesday (June 20)—Overbrook A. C.

Thursday (June 21)—Willow Grove at Willow Grove.

A game with Hildale is also scheduled for July 9.

HIGHWAY REPORT

Many Matters of Public Interest Are Considered.

The report of the Highway and Sewer Committee as read at the recent meeting of Council shows that the material affairs of the borough are receiving careful and prompt attention. The notices on sidewalk repairs are being complied with and the Haverford avenue merchants are to receive additional aid from the borough in removing rubbish, etc., so as to prevent any such unsavory conditions as has recently been noted. The case of the brook from Sabine to Price avenues which overflowed in the recent heavy rain also receives consideration. The complete report follows:

During the past month the members of this committee with Superintendent Suplee have inspected the sidewalks and curbs on all of the streets of the borough and, as a result, on June 1 repair orders were served on 168 property owners and we are glad to be able to report many of these notices have been complied with, although the legal time therefor has not yet expired.

The heavy rain storm on the evening of the 9th instant, revealed that the manner in which the brook has been piped from Sabine to Price avenues will be a constant menace to the property, convenience and possibly even to the health of residents in that vicinity. Although this situation, as it now exists, is entirely inside private property lines, it is a safe prediction that the residents there will continually and quite naturally call on the borough officers whenever trouble develops and ultimately the assumption may grow up that the piped brook is in fact a public instead of a private pipe line, it is our recommendation that this committee should be authorized to use all the influence within its power to cause the developer of that property to remedy that condition now while he is still in fact and in ownership responsible rather than to permit the situation to become further complicated by the sale of individual lots.

At the suggestion of the Burgess and, acting in conjunction with the Water, Light and Health Committee, we have prepared and will serve soon a special notice on all of the store proprietors and managers in the Haverford avenue business district. This notice will offer additional co-operation in the removal of rubbish and will require a better disposal of rubbish and garbage in order that the unsavory conditions recently existing there may be permanently removed and prevented in the future. It is our understanding that the Burgess will use the police power drastically against all those who fail to comply.

During the month of May, prior to the discontinuance of the winter collection schedule on the fourteenth, we collected 475 cubic yards of ashes and 250 cubic yards of trash and rubbish. Also during the month we completed the Grayling avenue sewer extension; repaired the street intersections at

Wynnewood and Montgomery avenues; Stepney Place and Montgomery avenues and extended the surface water drain pipe at the corner of Essex and Montgomery avenues. Also we have raised the grade at the bottom of the watershed on Sabine avenue, west of Dudley avenue in order to abolish a dangerous condition at the southern inlet there. In addition, the gutters on Wayne avenue, between Essex and Narberth avenues, have been repaired with Buckite.

Expenditures for labor and materials during the month of May were as follows: Materials for street maintenance, \$276.50; materials for Grayling avenue sewer extension, \$36.95; total for materials, \$313.45; labor for ash collections, \$405.28; for street cleaning, \$295.50; for street maintenance, \$205.70; for Grayling avenue sewer, \$77.32; for clean-up week, \$235.80; for cleaning sewer inlets, \$48.60; for one man while incapacitated, \$28; for operating roller when rented, \$32.40; for holiday, \$48.60; total for labor, \$1378.

WIN NINE BADGES

Six Narberth Scouts Get Awards at Honor Court.

Thirty-four Boy Scouts, members of eight Lower Merion and Narberth troops, were awarded 60 merit badges and three star scout ranks at the June meeting of the Main Line Court of Honor, held Friday night in the Wynnewood Troop's headquarters, All Saints' Church.

Wynnewood had won the honor of entertaining the Court, by leading the field with 11 boys eligible to receive 16 badges and star ranks. Bala Troop, No. 1, and the Narberth Troop, which had sought no awards for months, were tie for second place, with six boys in each troop eligible to receive nine badges.

Celebrating the Narberth Troop's return to the ranks of merit badge winners, Carl B. Metzger, for many years a member of the Court of Honor and Narberth Troop committeeman, represented his troop at the Honor Court.

The Narberth badges were won by the following boys: Robert Hutchinson, 3; Gordon Wolf, 2; Richard Wentz, 1; Hugh Speed, 1; William Harris, 1, and J. N. Thomas, 1.

MERCHANTS GET NOTICE

Borough to Collect Refuse From Haverford Avenue.

A notice was served jointly last week by the Highway and Sewer and Water, Light and Health Committees of Council to Haverford avenue merchants relative to the removal of rubbish and refuse from these places of business.

The borough will co-operate by providing weekly collections for the Haverford avenue merchants and places of business in order to help prevent any such unsavory and unsafe accumulations as have been the case in the past. Council believes health and fire hazard exists.

Rubbish will be collected from the sidewalks early on Monday, Wednesday and Friday of each week; while garbage and unsavory waste will be collected on Tuesday, Thursday and Saturday of each week from the rear of the places of business.

The borough's orders concerning the use of proper receptacles and places for deposit must be carefully complied with. Merchants are warned that the Burgess will use the police power to enforce these provisions if necessary.

COMMISSION WILL MEET

The Lower Merion Township Commission will hold its June meeting Wednesday night, in the township building at Ardmore.

JUNIOR GRADES PRESENT

Continued from the first page: ford; honorable mention, Eleanor Schoff, Grace Werner, Charles Pace, Marion Tipton, Arthur Conner, Russell Wood and Virginia Young.

Savery and Scheetz Cup for best boy athlete—Won by John Pennypacker, Ardmore; honorable mention, Hugh Wynn and Martin Miller. Cup for best girl athlete—Won by Marguerite Callahan, Merion; honorable mention to Josephine Baker and Louise Cross.

Class of 1926 Ninth Grade Scholarship Cup—Won by William Smith, West Conshohocken, for a scholastic average of 92.7; honorable mention to Fernanda Amadio, Ardmore, average 92.6, and Joyce Trenholme, Bala, 92 per cent.

Class of 1926 Eighth Grade Scholarship Cup—Won by William Macan, Cynwyd, with an average of 91.9. Honorable mention to Roger Watson, Haverford,

whose average also was 91.9, and Grace Werner, Narberth, with an average of 91.

Give Certificates.

Civic monograms went to the following eight prize winners: Alice L. Tyson, Howard Lodge, William Macan, Conrad Wickham, Roger Watson, Marguerite Callahan, John Pennypacker and William Smith.

Testimonial certificates were announced as having been sent nine public figures whose services have aided the students. They went to the following: Colonel Charles A. Lindbergh, "first in the hearts of the youth of America." Commander Richard F. Byrd for his share of accomplishments in the air; Dr. Ezra S. Deubler, president of the past year of the Bala-Cynwyd-Narberth Rotary Club, in recognition of his organization's interest in the students and their activities; Miss Wilmot Schoff, for her aid in student dramatic activities; Mrs. Frank Harmstad, Ardmore, for her two years' work in organizing and directing the school harmonica band; Dr. Margaret R. Milligan and Dr. William L. Martin, school physicians for girls and boys, respectively; Leonidas Beck, Cynwyd Boy Scout committeeman, and Susan Abernethy, president of the Junior High student body.

Students Give Play.

The program commenced when the Junior High School Orchestra played an overture. The upper class marched around the auditorium, headed by Marshals Robert Blair and Meribah Ray Wilson. President Susan Abernethy, of the Junior High School, gave an address of welcome, and then came the awards of prizes to the school and presentation of gifts by its two classes.

Jean Carlisle opened the entertainment at the end of the more formal program with a solo dance, "Air de Ballet." Her graceful specialty was followed by presentation of "The Robe of Wood," a Chinese play in the American fashion, by the following cast of characters:

Mandarin Woo Hi Yin, Fred Robb; Guard Won See, Lewis Meyers; Lily Flower Suey Sin Fah, Eleanor Schoff; Wood Carver Tai Loy Jung, Theodore Loder; Play Actor San Git Sing, Stephen McCormick, and a guard, James Turner. Costumes were made by Miss Cranston's classes; properties were by Mr. Suloff and Miss Sharpe, and the play was coached and staged by L. Burruss Fowler.

Officers of the promoted upper class were: Robert Blair, president; Meribah Ray Wilson, vice president; Anna Catharine Gerhart, treasurer, and Lewis Meyers, secretary.
